"COME to the water.  
LIVE in the moment and BE.  
REFRESH your mind.  
REST your body.  
RENEW your spirit.  
Regain a gentle HEART and  
PEACEFUL soul.  
RECLAIM YOURSELF.  
RESTORE in the POWER  
that is greater than you."

-Bonnie Mohr

# Our Mission

Lost and Found Recovery Center is an organization dedicated to healing for those who struggle with substance abuse including the friends and family members who suffer with them.

Our program started in 1987 through the vision of a woman who knew first hand the impact of substance abuse. Her vision created a place for all those who seek healing and support for the journey.

We are currently staffed by peers and professionals who have experienced similar circumstances and seek to bring hope to others through the many paths of recovery.

# Our Services

## Peer Support

For MN residents, our staff are Certified Peer Recovery Specialists by the MN Certification Board.

For ND residents, our staff is certified through ND Behavioral Health and provide peer support through "Free Through Recovery" and "Community Connect" programs.

Peer support will ask questions, offer insight, and help service recipients as they become whole, resourceful, and capable of choosing what is best for their recovery.

## Group Support Meetings and Recovery Events

Current listings are updated regularly on our web site.

## Wellness Library

Thousands of books, DVD's, CD's games and other materials available for loan to the public by appointment.

## Additional Services

### Naloxone Access Point

In partnership with the HOPE Network, Lost and Found is able to distribute Naloxone (Narcan), fentanyl testing strips and provide training for administration.

### Chemical Use Assessments

Through a subcontracted LADC, Chemical Use Assessments (CD Evals/Rule 25) are available by appointment.

### Meeting Room Space

Lost and Found Recovery Center has two group meeting space rooms available. Large group area can host up to 60 people.
